ETİK ENERJİ

Multi-sector investment company

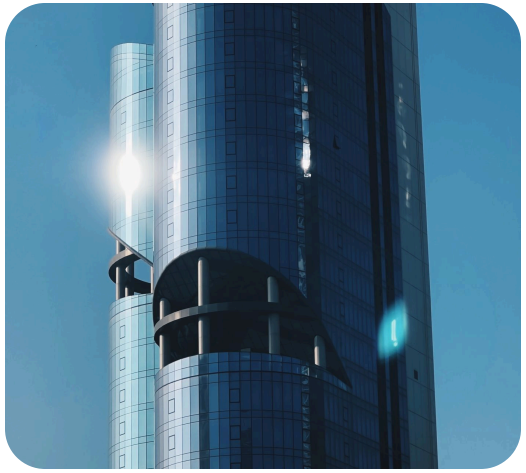

From food to energy, we grow with ethical values.

We are a multi-sector investment company active in food, energy, real estate and project development.

Company Profile

Who we are

Founded in 2017 with a strong vision, Etik Enerji is a multi-sector investment company that invests in food, energy, real estate and project development.

Today we are mainly active in the food sector, with our franchise brands at 6 branches in Istanbul; through our investments across different sectors, we aim to add value for our customers and business partners.

2017 Year founded

4 Investment areas

6 Branches in Istanbul

Our Business Areas

Investing in four areas

We invest mainly in the food sector, and also in energy, real estate and project development.

Our core business

Food

With our franchise brands, we cater to your taste at our 6 branches in Istanbul.

Energy

We invest in clean energy and produce our own energy.

Real Estate

We provide consultancy services for buying, selling and investing in real estate.

Project Development

We steer your projects to turn your vision into reality.

Our core business

Food

Food, through our franchise brands, is our core business. At our branches in Istanbul we cater to your taste, putting quality and trust first in the food sector.

6 branches, all in Istanbul

#Franchise #Quality #Trust

Clean energy

We produce our own energy.

We invest in clean energy. By generating electricity from renewable sources, we contribute to protecting the climate.

- Investments in clean energy
- Electricity generated from renewable sources
- Sustainable growth that protects the climate

Mission & Vision

The principles that brought us here and our goals for the future

Our Mission

Our mission is to make our customers' lives easier and richer by delivering the highest value across a range of sectors. With solutions tailored to technology, innovation and the needs of each sector, we aim to meet our customers' needs in the best possible way.

Our Vision

Our vision is built on being a leader in every sector we operate in and continuously increasing customer satisfaction. With our innovative approach, strong ethical values and a team of specialists in their fields, we focus on our sustainable growth goals.

Our Values

Whatever the sector, we work by the same principles.

Ethics

Honesty and transparency in all our relationships.

Quality

Delivering the highest value in every sector.

Sustainability

We produce our own energy from clean sources and grow while protecting the climate.

Customer Satisfaction

A continuously improving approach to service.

Who do we serve?

From consumers to investors, from companies to business partners

Consumers

The flavors of our franchise brands are with you every day.

Investors

Let's explore growth opportunities in food, energy, real estate and project development together.

Companies & Partners

Get in touch with us about supply, collaboration and project partnerships.
